

Name: _____

Decision Making

Making a decision can be hard! It is important to understand the pros and cons. A **pro** is something positive that could happen if you make a certain decision. A **con** is something negative that could happen if you make a certain decision.

Identify the pros and cons from Sammy's decision.

Sammy only has two days free after school. She needs to decide if she wants to spend them playing soccer or taking piano lessons. She has a lot of friends on the soccer team but she also really loves to play the piano. If Sammy decides to play soccer what are some pros and cons to her decision?

<u>Pros</u>	<u>Cons</u>

What is an important decision you are trying to make? _____

What are the pros and cons?

<u>Pros</u>	<u>Cons</u>
