

Name: _____

Responding with Empathy

Here is the process to having empathy:

In the following situations, how would be the best way to respond with empathy.

- 1. Sally is looks like she has been crying. She is playing alone at recess. What should you do?**
 - a. Ignore her and keep playing
 - b. Ask her if she is ok and if she wants to come play with you
 - c. Make fun of her with your friends
 - d. Tell her recess is supposed to be fun and to stop crying

- 2. Allison gets to school and she is crying. She comes into the classroom and puts her head down on her desk.**
 - a. Ask her if she is ok and if she wants to talk
 - b. Laugh at her
 - c. Ignore her and talk to your friends
 - d. Tell her that she needs to start doing her morning work

How would you respond empathetically in the following situation?

Jack is really nervous about a math test. He looks upset and says he isn't able to eat his lunch. What do you do?
